

ALEIKSON SILVA

FRONT-END DEVELOPER AND UX/UI DESIGNER

I am a professional working as a User Experience (UX/UI) Designer and Front-End Developer, committed to creating websites and applications that stand out both aesthetically and in terms of usability.

WORK EXPERIENCE

UX/UI DESIGNER

Think Round Inc, San Francisco, EUA

Current

As a UX/UI Designer intern at Round, my main responsibilities include creating prototypes for web and mobile applications, adhering to User Experience (UX) principles to enhance usability and user satisfaction, and participating in weekly meetings to ensure our projects are aligned with the company's goals. This experience has provided me with valuable opportunities to develop my design and collaboration skills in a real work environment.

WEB DEVELOPER

Freelancer

Current

As a freelance web developer, I possess strong skills in creating and maintaining web pages using technologies such as CSS, JavaScript, and PHP, particularly for implementation within the WordPress environment. Additionally, I maintain continuous communication with clients, ensuring that projects are fully aligned with the company's objectives and adhere to User Experience (UX) and User Interface (UI) principles. This experience has provided valuable opportunities for me to enhance my web development skills, with a particular focus on WordPress-based projects.
